Effective March 17, 2003

At Western Illinois University, this tuition waiver is limited to 4 years, 8 regular semesters and 4 summer terms, or 120 hours, whichever comes first.

Subject to the eligibility requirements specified above, the waiver may be utilized until such time as a total of 4 years of undergraduate 50% tuition waiver benefits have been expended in accordance with university procedures utilized to calculate tuition waiver limitations generally. The 4-year limitation shall be comprised of the number of hours or semesters (including summer terms) necessary to complete an undergraduate degree as defined by the tuition waiver granting university, not to exceed a total equivalent period of 4 years. In the event that a student who is eligible for the 50% tuition waiver transfers or simultaneously enrolls in another university (as defined above) the admitting institution shall receive, from the previous (or concurrent) institution, a certification defining the amount of 50% tuition waiver benefits that have been or are being utilized in accordance with the respective institutional standards for tuition waiver benefit calculations.

Bigibility for the 50% tuition waiver benefit is conditioned upon the parent being employed as of the first day of the academic term (in accordance with the academic calendar where the student is enrolled) for which the tuition waiver benefit would apply.

The employee of domestic partner of the waiver recipient must have been employed by the University for at least seven cumulative years at 50% or more.

If both parents are employees, an eligible child shall be eligible for a total maximum 50% waiver as specified above. Employment records of two parents cannot be combined with respect to the 7-year employment requirement. Eligibility criteria in terms of employment shall be benchmarked upon the employment record of only one parent, with the greatest individual amount of total university employment. This waiver applies to the natural children, adopted children or step-children. The appropriate documentation may be required by Human Resources to verify the relationship.

For Children of a domestic partner who is not an employee at Western Illinois University will be considered as step-children of the employee for the purposes of this program.

An eligible child of a qualified employee must be under the age of 25 at the commencement of the academic year during which the waiver is to be effective (in accordance with the academic calendar where the student is enrolled). Thereafter, the age limitation must continue to be fulfilled as of the beginning date of subsequent academic years.

The eligible child must qualify for admission under the same admission requirements, standards, and policies that the tuition waiver granting university generally applies to applicants for admission to its respective undergraduate colleges and programs.
